

We are looking for the perfect person to join our team at Service Printing in Martinsville, VA as a **Screen Printer**. We specialize in producing branded apparel like shirts, hoodies, and hats. The person we're looking for is very good with their hands, mechanically minded, and is able to be on their feet for 8+ hours a day! You're creative and you love to make things. You are able to complete projects with excellence and don't mind hard work. You have a passion for helping other organizations and businesses succeed. You appreciate details and quality.

A good, happy, and energetic personality is a must. We're a small business with a tight-knit team. I'm looking for someone who is easy to get along with and who wants to win in life. If you're a negative person, a complainer, or you love to gossip, there's no need to apply.

You will get ink on your clothes and shoes and you will constantly have ink on your hands, but it comes off pretty easily with soap and water. Critical thinking and problem solving skills are a must.

Our dress code is slack as long as it's modest and doesn't propose a safety risk.

In this role, you will:

- Clean screens (requires you to use some pretty strong cleaners and you will get a little bit wet)
- Apply emulsion to screens
- Set up film and "burn screens" to use for printing
- Mix inks and blend colors as-needed
- Place garments on our printer
- Apply the print
- Transfer garments to the dryer
- Inspect, count, sort, fold, and package finished garments
- Sweep and vacuum our shop
- Help with other chores like taking the trash out and cleaning our restrooms

Printing experience is definitely a plus, but we will train you either way! Being able to do basic computer work is a plus, but is not required.

Our hours may change as we grow, but they are currently M-F 8-5.

You will get (2) 15 minute breaks and (1) 30 minute lunch break each day.

The pay will be based on experience. Paid weekly via direct deposit (1 week behind).

If you have no screen printing experience, you will start at \$12/hour and it will go up as you learn the trade.

If you've been printing for 10 years, name your price and let's talk.

This position needs to be filled immediately.

If interested, please complete the application at: <https://www.rememberlegacy.com/opportunities>

Feel free to also come by our shop M-F. Ask for Caleb or Leanne.
